

## **2021 Summer Covid-19 Protocols at TRCC! (Update 06/07/2021)**

TRCC is open and ready to serve you! To date, we have not been traced to one case of Covid-19 at camp. We thank God for this, and we want to work together with you to continue providing the safest camp experience possible.

### **What TRCC Will Do to Help Keep Guests Safe**

#### **In General**

- TRCC is operating at reduced occupancy in an effort to provide you the opportunity for safer, social distancing.
- TRCC has intensified its cleaning and sanitizing processes, including cleaners that kill the Covid-19 virus on surfaces.
- Hand sanitizing stations and disinfecting sprays are now provided throughout the camp and available in every building.

#### **TRCC Staff**

- Staff health monitoring, including weekly health surveys and daily temperature checks, is standard protocol.

#### **The Dining Experience**

- New swamp coolers have been added to the dining hall, which provide an exchange of all air every few minutes.
- Guests will be reminded to use hand sanitizer upon entry to the dining hall and at all food service stations.
- Some food service items, such as condiments, are individually wrapped to prevent the spread of germs.

#### **Meeting Rooms & Public Restrooms**

- Meeting rooms and public restrooms will be deep cleaned and sanitized prior to your arrival.
- Meeting rooms and public restrooms are sanitized twice daily.
- Meeting room ventilation systems are now outfitted with the highest quality filters to slow the spread of any virus.

#### **Guest Cabins**

- Cabins will be deep cleaned and sanitized prior to your arrival.
- Fans will be available in every cabin in order to maximize ventilation.

#### **Recreational Opportunities**

- TRCC is offering a full slate of recreational activities, from Zip Line to Lake Trips!
- TRCC-run rec will include enhanced cleaning techniques of all equipment.
- Equipment sanitizer will be available at all "general rec" locations for your use. Staff will also sanitize equipment twice daily.

### **What TRCC Guests Will Be Asked to Do**

#### **Pre-camp Health Survey**

- Guests will be required to complete a health survey just prior to their arrival at camp, including questions about exposure to COVID and any symptoms, along with the reporting of temperatures.
- Each person's temperature will be taken again by a TRCC staff member upon arrival at camp, and any person with a fever of 100 degrees or more will not be allowed to check in.

#### **Practice Great Hygiene**

- Guests will be encouraged to engage in hand washing regularly and to make use of hand sanitizer often.

**We're here to serve and looking forward to seeing you at TRCC!**
